Bunco or Bust at the CasaBlanca raises \$8,000 for Breast Cancer Research (Press Release; Nov.15, 2011)

The third annual Bunco or Bust tournament to benefit the Breast Cancer Research Foundation conducted last month at the CasaBlanca Resort generated an \$8,000 donation for Breast Cancer Research.

The largest ever Bunco event at the CasaBlanca attracted about 372 entries from Nevada, Colorado, Minnesota, California and Utah who not only participated in the wildly popular dice game but also bid for a long list of prizes in a silent auction that included a wide variety of donations including

everything from golf to diamonds and show tickets to Las Vegas shows.

Sponsored by the CasaBlanca Resort and spearheaded by employees of the resort hotel, the loud and colorful Bunco event became a prime example of adults having fun while also generating big money for breast cancer research.

In the past three years, the CasaBlanca has been the home of several Bunco events generating nearly \$20,000 for Breast Cancer Research. Other beneficiaries have included Goody Two Shoes; the Make A Wish Foundation along with the American Heart Association's Go Red for Women.
