We're excited to announce some exciting changes for 2011. We welcome a new production partner, Planet Ultra.

Course Description

The Mesquite Marathon, Half Marathon and 10K run right into downtown Mesquite. This beautiful town is known for it's relaxed atmosphere, yet still features incredible opportunities for the whole family. The surrounding area is incredible scenic. The running route is along the old Highway from St. George to Mesquite. Much of the run is next to the Virgin river, and the route is along rolling hills, with tall red rocks.

The Mesquite Marathon and Half Marathon will be given the USATF Certification. This ensures you, the runner that you are running the correct distance.

Marathon Course

The race starts near St. George Utah, then follows the historic U.S. 91 (Old Highway) through Utah, Arizona and Nevada. Then from Littlefield to Mesquite the course parallels I-15, running on the Frontage Road. The race will end at the Casa Blanca Event Center in Mesquite NV.
